The desirability of conferring on Committees of Dharmadarsis more powers than are now delegated to them, was suggested in the course of the general discussion on the Budget by the Legislative Council. I believe the Muzrai Commissioner has stated in some connection that he would consider this point in framing rules under the new Muzrai Regulation. This point may be kept in view and brought to notice when the rules are considered.

54 There are two drafts prepared: the first relates to the Rules issued in exercise of the powers conferred by Section 41 of the New Muzrai Regulation; the second draft purports to issue instructions on other matters. I am not quite convinced as to the necessity for issuing the second draft, except to the extent that the Rules now in force require modification by way of grant of additional powers to the several subordinate officers in other wise.

The Second order need not be issued Simultaneously with the Rules. But it is necessary to have a Complete Order Containing Executive instructions for the guidance of all grades of Muz officers in my

57 In the subsequent rules, there is no reference made to Scheduled Institutions except incidentally in Rule 7 Clause (17) where it is stated that in the case of Scheduled Institutions the recommendation for the removal of Dharmadarsis should be sent up to Government for orders. I think a rule may be framed clearly indicating that the scale of expenditure of the Scheduled Institutions will be subject to the sanction of Government and the appointment of the Dharmadarsis to them will be made by Government.

58 There is no reference in the Rules as regards the duties of Muzrai servants in the various institutions nor, do the Rules indicate how the surplus funds of Muzrai Institutions should be invested.

Office of the Muzrai Commissioner in Mysore.

Dated Bangalore, 17th October 1927.

REV. SECRETARIAT
21 OCT 1927
MUZRAI
D.480

From

P. C. D'Souza, Esquire., P.A., P.C.S.,
Muzrai Commissioner in Mysore,
Bangalore.

Muz 226-26-4

To

P. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

Referring to your Order No.1975/Muz.226-26-1 dated the 27th January 1927, calling for a draft set of rules under the several sections of the new Religious and Charitable Institutions Regulation of 1927 and to the subsequent letter No.85/-Muz.1-27-2 dated the 11th July 1927 in re the powers and duties of Muzrai Officers, I have the honor to submit herewith for the approval of Government a draft set of rules under the several sections of the new Regulation. A schedule of powers and duties of the several grades of Muzrai officers has been prepared effecting a larger decentralization of powers in the Department. The extent to which the suggestions contained in the note appended to your 2nd communication referred to above have been adopted, is detailed below:-

1. The Deputy Commissioner's power of sanctioning estimates for repairs to Muzrai Institutions is limited to Rs.500/- which is the amount fixed in Government Order No.3010-1/M.F.316-28-4 dated the 16th June 1923, the Sub Divisional Officers being empowered to sanction estimates to the extent of Rs.100/-. The power of sanction of the Muzrai Commissioner is raised to Rs.4000/- from Rs.2500/- and that of the Government to Rs.5000/- as mentioned in the note. Suggestions 2 (a), (b), and (c) have been adopted.

As regards suggestion No.3, only a few [illegible] 4 [illegible] have been transferred to the Muzrai Commissioner, while [illegible] remaining [illegible]

considered that cases coming under clauses 3 & 9 may well remain with Government alone.

Sub-sections (b), (c) and (d) have been adopted except that in sub-section (c)-"power of sanction for repairs, Rs.4000/-" is inserted -- and not of Rs.2000/- as suggested.

The recommendation ("Sub-section (e) period of lease of temple lands by the Hindu Committee has been left ---- fixing the period at 10 ---- tion.

In framing the rules care has been taken to embody the ---- directions of Government contained in the several orders of Government issued from time to time on the subjects covered by these rules. The duties and powers of Dharmadesais and Mandiri-Cs/Ofs have been defined so as to suit present conditions and certain executive powers have been delegated to them.

In the note attached to the list of our communications ---- of the 3rd June, it was observed that the rules obtain at present regarding Para 7 of 3 (removal and management of Muzrai Institutions to be vested in a special committee or local trustee). In this ---- connection, I beg to invite attention to the Government Order of the 1934 stating that "after carefully considering the whole ---- question the Government have come to the conclusion that the constitution of district and taluk committees is undesirable and need not be undertaken ". The circumstances have not since changed and therefore the taluk or district committees or any committee except that of Dharmadesais may not be created and no rules in this respect seem to be called for. But if Government should decide to adopt a new policy for the ---- future, I shall submit rules accordingly, if so directed.

A set of rules under Sec 20 (Failure of the object of Trust) has been drafted. They are enclosed herein. Under Sec 21, the existing rules prescribing the accounts to be maintained by persons in charge of "Religious and charitable institutions other than Muzrai institutions" have been slightly modified with very slight alteration, since the Fees Book system must only be introduced by Government in the case of Muzrai ---- institutions and cannot be made applicable to these institutions.

Rules under Sec.41(1), the duties and powers of Amildars and Taluk Commissioners in charge of Revenue Sub Divisions, have been adapted in the model rules of powers referred to above. The duties

of Dharmadarsis of Nazarini-o-Kofs have also been defined a separate set. Rules under clauses 3,4, & 5 of Sec.41 are herewith submitted.

I request that early orders of Government may be passed and a notification declaring Assistant Commissioners in charge of Sub Divisions as Mazrai Officers under Sec. 9,10,23,25 be issued as several of the Deputy Commissioners are pressing for the early delegation of powers to Sub Divisional officers, so as to remove congestion of work at their offices.

I have the honor to be,

Sir,

Your most obedient servant,

Assistant Commissioner
For Mazrai Commissioner.
